select Parents & K-12 from the menu on the left

The ALPHA Center at UC Riverside has summer programs for students geared to make learning fun and instilling a passion for the field of math, science & technology. The Center offers many content-rich, innovative and interactive programs for students in grades K-12.

CHAMP - Climbing Higher with the Academy for Mathematics Performance - Program for boys and girls in grades 6, 7 & 8. **This program is free but an application is required.** The Rialto program will be held **July 19 - 23 from 9am - Noon** at the Cesar Chavez & Dolores Huerta Center for Education 324 North Palm Avenue, Rialto CA. The Fontana program will be held **July 26-30 from 9am - Noon** at the Fontana Adult Ed/ROP Center 10755 Oleander Avenue, Fontana CA **Applications are due by June 11. Applications and commitment to attend all 5 days is required.**

COMPASS - Content Opportunities in Mathematics Program for All Secondary School Students
This program is for male and female High School Students and exposes them to the integration of math and technology through the TI-89 graphing calculator.

GEMS - Girls Excelling in Mathematics with Success - a program for girls in Middle School that empowers them with knowledge about mathematics, community service, mentoring and support.

This program is free but an application is required.

The program for girls entering Grades 6, 7 & 8 will be held **July 12 - 16 from 9am - Noon** at the De Anza Teen and Recreation Center 1405 S. Fern Street, Ontario, CA. **Applications are due by June 11.**

HEALTHY BODY-HEALTHY MIND - Students entering 6th, 7th & 8th grade receive instruction in mathematics as it relates to health and physical education as it relates to a healthy lifestyle, self-motivation and character development. The program will be held **July 12 - 16 from 9am - 12:15pm** at the UC Riverside Student Recreation Center. **Applications are due by May 29. Acceptance to the program is based on a combination of your answers, teacher recommendation and meeting the application deadline.**

(Note: Students cannot participate in GEMS and Healthy Body-Healthy Mind. If students sign up for GEMS and Healthy Body Healthy Mind, they will only be selected for one program.
